

## Mt. Adams Civic Association Volunteer Opportunities

Thank you for your support of Mt. Adams. We love our hilltop neighborhood and want to see it well maintained and growing. You can get involved in many different ways and all levels of help are welcomed. We have categorized our neighborhood needs into seven areas of focus. Please help us by volunteering for any of the categories below. Just check any categories you are interested in and tell us how to reach you.

\_\_\_ **Community Life:** Develop and implement strategies for improving neighborhood communications, collaboration, and overall friendliness.

\_\_\_ **Clean, Safe, & Attractive:** Monitor and implement strategies to reduce neighborhood trash problems and vandalism, and recommend beautification projects.

\_\_\_ **Development & Preservation:** Work with developers and city officials to encourage more creative development designs that will build upon our quaint community nature.

\_\_\_ **Business District:** Collaborate with business leaders to revitalize the business district and represent the residents concerns so they are included in the business development plans.

\_\_\_ **Views & Hillside:** Pursue measures that will enhance and preserve the public views and protect the stability of hillsides.

\_\_\_ **Parking:** Research, recommend, and implement parking solutions that will serve our neighborhood needs.

\_\_\_ **Infrastructure & Utilities:** Monitor the condition of streets, sidewalks, stairs, and utility lines, and recommend maintenance and improvements.
